premium wordpress themes

I created this website to provide wordpress themes of quality and integrity. I craft my themes with a goal of simplicity and professionalism, and strive to inject each design with a dose modest elegance. Each of my wordpress themes come widget ready and coded in valid xhtml 1.0 transitional and css. Every theme is made in compliance with the latest version of Wordpress, and are compatible with Firefox 3.0, Internet Explorer 7/6, Safari, Opera, and Netscape. I believe that your website is not just a tool, it is an integral part of your identity, and my job is to respect each customer by providing attractive and userfriendly templates that will help you achieve your online goals.

\$19.95 PER YEAR!
unlimited access

You get full access to our entire collection of premium wordpress themes, as well as all themes added in the future, for the small price of 19.95.

what are wordpress themes

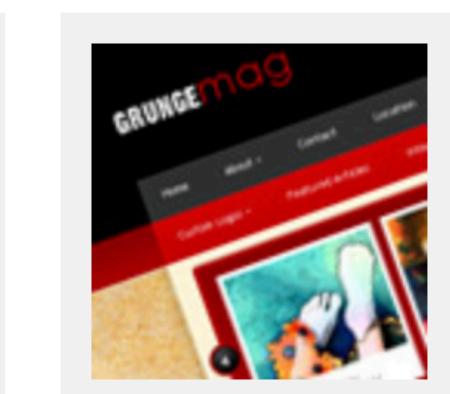

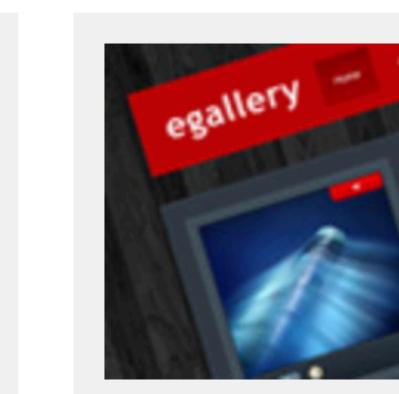

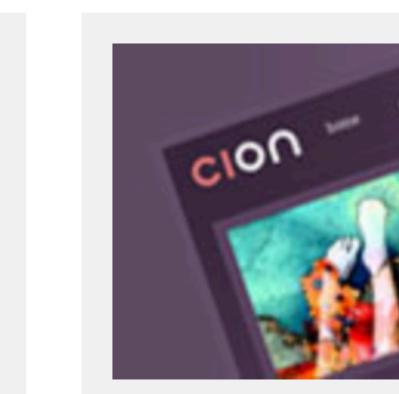

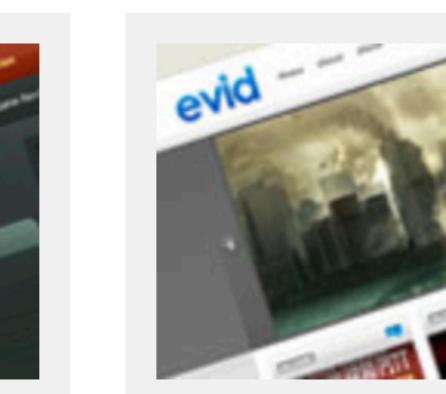

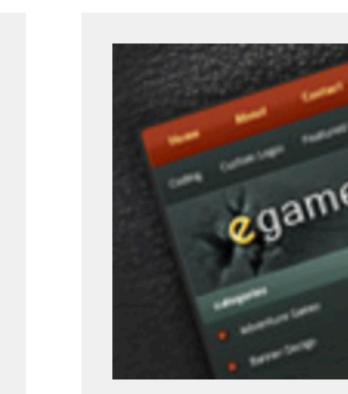

Wordpress themes are premade designs which are made in compliance with the popular blogging software Wordpress. These templates can be installed seamlessly and effortlessly to any site that is utilizing the latest Wordpress script. Using our themes allows you to customize the look and feel of your blog to better represent the purpose of your website, and to distinguish yourself from the thousands of blogs across the internet.

what you get

Each wordpress theme comes expertly coded in valid XHTML and CSS, and all are made compatible with the latest version of Wordpress. I make sure that each template works flawlessly in all of the most widely used browser to insure maximum functionality. Furthermore, all sidebars are made widget ready for your convenience.

My job is to respect each customer by providing attractive and userfriendly templates that will help you achieve your online goals.

I would have paid even more!

These themes are great! Nick sure knows his stuff. I have customized a few of his themes, and they are so easy to work with! He is always right here to back his customers up as well. Thanks Nick!

A collage of nine Divi add-on banners featuring a man with long hair and a beard. The banners are arranged in a grid-like pattern and include the following text:

- Hover Options Have Arrived! (Blue background)
- Divi Powered Custom Post Types (Orange background)
- Custom Optin Fields And GDPR Compliance (Red background)
- Divi Design Initiative 2.0 (Teal background)
- Wow! Divi Scroll Effects (Blue background)
- Dynamic Content For Divi (Red background)

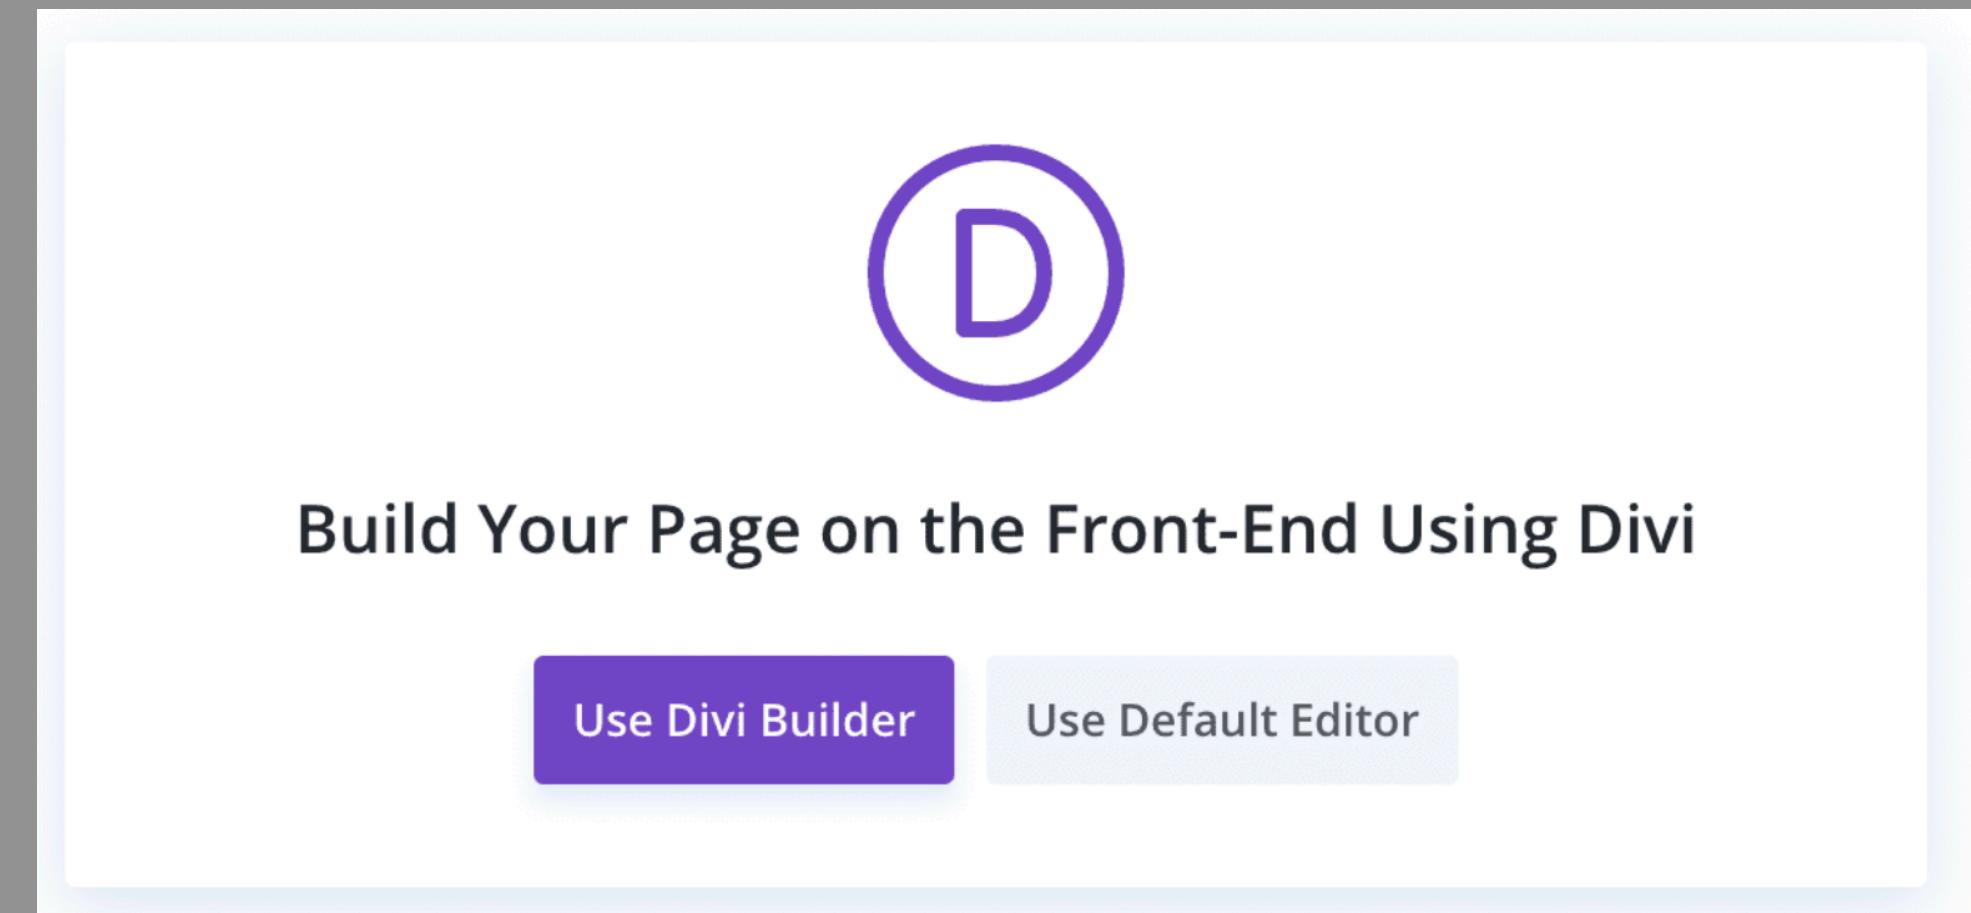

Each banner includes a "DOWNLOAD TODAY" button at the bottom right.
